To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Chelsea Dietrich. Her performance working as an Education Instructor for the EcoVentures Science Programs demonstrated that she would be a valued addition to any school district looking to hire a reliable and passionate educator. Chelsea has proved to be a diligent, knowledgeable, and attentive employee while on staff at EcoVentures.

I have known Chelsea for about a year and was her direct supervisor while she served as the lead Education Instructor for my environmental education company, EcoVentures, located in North Wildwood, NJ. Chelsea was responsible for the daily program oversight at one of two locations for the EcoVentures Summer Adventure Programs. These programs were based out of high-end, waterfront hotels and resorts in the Cape May County area of South Jersey and required a high degree of organizational, communication, and problem solving skills. Every morning, Chelsea was responsible for setting up all of the equipment necessary for the day's events and was the company liaison between the program participant's parents, as well as the hotel staff and management. Our outdoor-based activities would often change on a moments notice, based on the current weather conditions, and Chelsea was required to make quick strategic decisions to ensure the quality and safety of our daily activities remained in alignment with the company's mission.

Chelsea distinguished herself by consistently submitting exceptionally well-researched ideas for new programs and materials to be used in the company's programmatic offerings. She is highly intelligent, possesses excellent common sense thinking abilities and has great communication skills. Her ability to handle sensitive situations with program participants and parents of participants in a very diplomatic fashion was second to none.

If her performance at EcoVentures serves as a good indication of how she would perform in another capacity elsewhere, I can confidently say that she would be an extremely valuable asset in any other setting where the skillset mentioned above is required.

If I can be of any further assistance, or provide you with any further information, please feel free to contact me at the information below.
